## Disclaimer Regarding Honorary Doctorate Awards

*We want to address recent rumors alleging that MEC University is issuing bogus Ph.D. degrees. We categorically deny these claims as false and misleading.*

*Mount Elbert Central University does not provide academic Ph.D. degrees, We have not conferred any academic Ph.D. degrees to date. Our university exclusively offers honorary doctorate awards, which are non-academic in nature and are not intended for employment purposes. These honorary awards are granted as a gesture of recognition for individuals who have made significant contributions to their respective fields, primarily for purposes of personal branding and prestige.*

*We are aware of the importance of maintaining the integrity of academic qualifications and adhere strictly to our policy of offering only honorary doctorates. Our legal team is actively communicating with relevant agencies and individuals to address and refute these baseless rumors.*

*Mount Elbert Central University (MEC University) is a registered university in Delaware. You can verify our registration status on the official Delaware state website. Additionally, we are accredited by the GSA Council, and detailed information about our accreditation can be found on the accreditation page of our website.*

*We are committed to transparency and compliance with established standards to ensure the legitimacy of our educational offerings and awards. If you have any questions or require further clarification, please do not hesitate to reach out. Your diligence in verifying educational institutions is essential, and we appreciate your attention to this matter.*

*MEC University is a legitimate institution that adheres to rigorous standards in recognizing individuals who have made significant contributions to their fields through honorary doctorate awards. These awards are bestowed following a thorough review and analysis of scholars' profiles by our university nomination committee. We follow strict selection criteria to ensure that recipients are deserving of this honor.*

*Regarding the claim that MEC University is fake and charges fees for honorary doctorates, we want to clarify that while we do not charge any fees for the honorary doctorate itself, our partners in India may charge convocation fees for the conferral event. This fee covers the administrative costs associated with organizing the ceremony and is not related to the awarding of the honorary doctorate itself.*

*We assure you that MEC University operates with transparency and integrity in all our academic processes, including the recognition of achievements through honorary awards. We remain committed to upholding our standards and ensuring that our honorary doctorate recipients are recognized for their*
